

iPad – Athens users

DOWNLOADING THE APPS

1

Login to **anatomy.tv** using the **OpenAthens** User Login.

2

Select **3D Real-time** and the region of your choice.

3

When prompted select **Install the app**.

4

This will open the app in the App Store. Select **GET**, then **INSTALL** to download the app.

Remember there are 11 individual apps to download in the series.

You can also find the apps by searching for **3D Realtime Human Anatomy** directly in the App Store.

LOGGING IN TO THE APPS

5

Return to **anatomy.tv** and click on the region you have downloaded.

6

Select **Launch the app**.

7

Once the product has loaded you will see the QuickStart screen – tap anywhere to access the Real-time interface.

You will remain logged in as long as your Athens login is active.

Note

Once your app is installed you will always need to log-in to **anatomy.tv** and launch it from there. Opening the app directly from your iPad will not give you access.
